CHICAGO AREA COUNCIL • HEART OF MID-AMERICA

PATROL COMPETITION THEME OF FALL CAMPOREE

YOU'RE INVITED TO OPEN HOUSE PROGRAM

"If you have a half hour or two hours you will be welcome at the open house programs scheduled at the council service center this month and next," according to Richard S. Claire, chairman of the open house program. "We hope that you will be able to visit the council service center on the day scheduled for your area. If, however," Claire continued, "this is not convenient, please don't hesitate to visit us on any one of the other three days."

DATES SET: Area A—September 9, Area B—September 23, Area C—October 21, Area D—October 29.

The service center will be open from 4:00 to 9:00 p.m. on each of the above dates. The schedule has been designed so that individuals who visit the service center on their way home will be able to complete the tour and be home in time for dinner. Those who prefer to visit after dinner will still have time to view the entire operation. "The purpose of the open house program is twofold," Claire said. "1. To show the physical facilities of the service center 2. To provide our Scouters an opportunity to meet on a personal basis members of the Executive Board who will serve as guides for tour."

Businessmen Support Scouting Through Lunch-o-rees

Business and industry in the Chicago Area Council have dedicated themselves to support Scouting, through the lunch-o-ree program. This year to date more than \$76,000 of the Council's operating budget has been raised by various industrial and business groups who have held lunch-o-rees with the proceeds going to the Chicago Area Council.

Donald R. Arnold, President of the Reuben H. Donnelley Telephone Directory Co. and general chairman of the 1964 lunch-o-

rees, said that five more lunch-o-rees are to be held this fall. The food industry lunch-o-ree will be held September 22. Donald R. Grimes, President of I.G.A., is serving as chairman. The transportation lunch-o-ree, under the guidance of Clair M. Roddewig, President of the Association of Western Railways, will be held November 10.

Other lunch-o-rees scheduled include the hotels and restaurants; the law and government; and the securities and finance lunch-o-rees.

EXPLORER RENDEZVOUS WILL SWING

Mid-America's most popular hootenanny group will highlight the Explorer Rendezvous Saturday evening program. The Basil Bros., Nancy Kay, Jack Shapless are well-known throughout the Chicago area, having played many high schools, colleges, coffee houses.

Brigadier General John D. Lawlor, chairman, said, "Advisors will enjoy the program as much as the Explorers." If your unit has not already signed up for the Rendezvous there's still time to do so. For complete details and a map to the Merriam Explorer Base in Wautoma, Wisconsin, contact the reservation clerk at the Council Service Center. The cost for the weekend including meals is \$3.00 per Explorer.

10,000 Scouts to Participate

One of the highlights of the Camporee will be visit of Green Bar Bill (William Hillcourt) second from right, of Boys' Life magazine at each of the four Camporee locations.

More than 10,000 Chicago Area Council Scouts will participate in the Coordinated Fall Camporee October 9-10-11, according to Kent W. Duncan, chairman. Theme of the camporee is patrol activities and patrol competition. Skill practice, skill events, and "worth trying" areas will be featured throughout the weekend. Awards will be presented to patrols qualifying in competition.

All camporee Scouts are asked to back-pack their personal and patrol equipment into the respective camps, with a minimum hike of one mile to their assigned camp sites.

Four Locations Listed

Four locations have been designated for the camporee. They are as follows: Schiller Woods, Area A, including Fort Dearborn, Lincoln Park, Midwest, Pioneer Trails, Thunderbird, and Trailblazer Districts; Yorkville Scout Camp, Area B, including Arrowhead, Austin, Frontier, Indian Boundary, Pathfinder, and Portage Districts; Camp Crete, Area C, including Lake Shore, South Shore, South Central, Tri-Ridge, Calumet, Greater Roseland, and Washington Park Districts; and Camp Kiwanis, Area D, including Burr Oak, Cicero, Forest, Southtown, and Stockyard Districts.

Camporee Patch Available

An attractive five-color all-embroidered patch will be presented to all official camporee participants.

Area camporee chairmen include: Area A, Julian Anderson; Area B, Mitchell Szady; Area C, Charles Marth; Area D, Arthur Brenke.

OPERATION CO-ED A DOUBLE FEATURE

Indications are that Operation Co-Ed will again this year be a sellout. It is a joint activity of the Explorers and senior Girl Scouts, and will be launched on Saturday, September 19, at Big Bend Lake when the two groups will compete in outdoor activities.

The second half of the double feature is the annual Co-Ed Ball to be held at the Pick Congress Hotel on Friday, September 25. Tickets for the Ball are \$1.50, available at the door.

COORDINATED MEETING SEPTEMBER 14

The Council operating committees and the Council's Commissioner's Staff will meet on Monday, September 14, 7:30 p.m. in the Council Service Center, 300 West Adams Street. Members of the operating committees will go directly to their meeting rooms.

Council president, Robert W. Reneker, has indicated that there will be no joint meeting of the committees.

TRAINING

Take advantage of the adult training experiences for Den Mothers, Cubmasters, Pack Committeemen, Scoutmasters, Explorer Advisors, Institutional Representatives and Committeemen.

A highlight for the training experience for Scoutmasters and troop committeemen will be a camping weekend filled with demonstrations and participation in camp craft and Scouting skills.

Be good to yourself. The job of being a top flight Scout leader is easier and more enjoyable after completing a training experience. The best quality program is not good enough for our boys. "He who helps a boy saves humanity."

FIRST

We salute the leaders of Pack 3501, sponsored by First Presbyterian Church for reregistering: (1) before the due date of September 1; (2) a plus of 6 boys over last year's registration, for a total of 48 boys.

If every unit did the same, Dynamic Lake Shore District would be the number one district in Chicago Area Council in expanding boy opportunity "Our units can do."

CONGRATULATIONS

To every Scouter in Dynamic Lake Shore District for expand-

ing boy opportunity.

FIND BOYS WHO WANT TO FIND ADVENTURE—FRONTIER ROUNDUP

Each one of us this fall has an opportunity to do his part in the "Years of Decision" program by giving an even greater number of boys the chance to find adventure on Scouting's new frontiers. Our fall Roundup programs are vital to the thousands of Chicago area boys who are not now active in Scouting. Once again, this year, we ask for your wholehearted support in making this year's Frontier Roundup even more successful than the Roundups in 1962 and 1963. Following are bench marks by which you can plot your progress across the frontier of Chicago's youth. Follow them carefully.

1. Pledge today (on the attached coupon) if you haven't already done so to recruit eight new boys before December 31.
2. Hold a Frontier Roundup kickoff meeting of your unit this month. Make sure that every boy knows how he can earn his Frontier Roundup Patch.
3. Explain the Adventure Roundup program to the entire unit, committee, parents and all the Scouts; publicize the Chicago Area Council's Frontier Roundup; distribute Roundup posters to stores and churches in your neighborhood; ask your sponsoring institution to carry a news article in their bulletin inviting boys to join.
4. Open the new frontiers in Scouting to boys in your neighborhood by holding an open house; recognize new Scouts and the boys who recruited them; be sure that everyone in your sponsoring institution has an invitation to your open house program; recognize Scouts who have made rank advancements.

Recruiter's Patch

Leaders' Awards

Special awards for unit leaders participating in the Frontier Roundup have been designed. An attractive neckerchief slide will be given to each unit leader when he signs his Roundup pledge. In addition, when the unit reaches its Roundup goal, regardless of the number of boys, the unit leader will receive a beautiful tie clasp with the Frontier Roundup emblem depicted. This attractive award is suitable for uniform as well as civilian wear.

Our unit will participate in the 1964 Frontier Roundup.

Wanting to "DO OUR BEST" to serve more boys, we pledge to recruit and enroll eight (8) new boys for our unit by December 31, 1964.

We realize that by successfully accomplishing this objective we will be credited with 20 points for Phase Three of the Achievement Program.

We're counting on earning the Roundup Banner and Leaders' Award by reaching our goal.

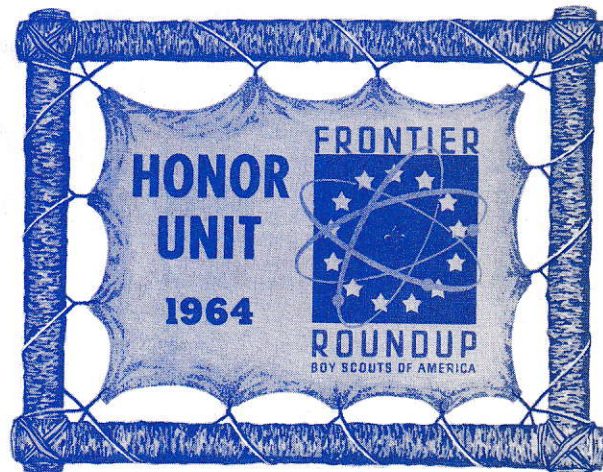

SIGNED _____ UNIT # _____ DISTRICT _____

NOTE: If you wish to pledge more or less than eight boys, please indicate the number here: _____

Each participating Scout unit will receive a unit progress chart so that they may list the names of new Scouts recruited during the fall Roundup. The chart is large enough to be posted on your unit bulletin board.

Each unit achieving its Roundup goal by year-end will receive a wonderful Frontier Roundup banner.

The Roundup has been timed to coincide with the opening of the fall school term, a time when boys naturally renew their interest in leisure time activities. This is the ideal time for unit leaders to round up Scouts who have not been attending meetings and remind them of the adventure of Scouting that is theirs merely by attending unit meetings.

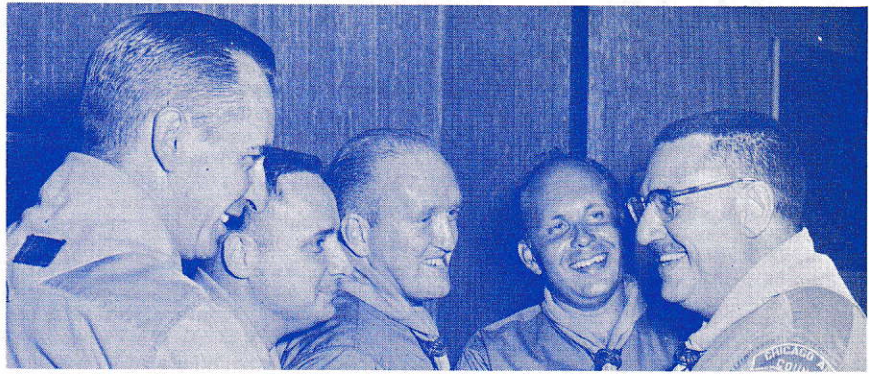

Unit Award

The awards, recognitions and materials outlined for the Frontier Roundup are again being provided in the interest of Scouting by the *Coca-Cola* Bottling Company of Chicago.

SUMMER ACTIVITIES SET PACE FOR FALL!

One of the highlights of the summer training program was the 1964 Scouters' Showando held at Valley View Training Center. Eric Buck (above left), one of the many instructors at the Showando, is shown illustrating one of the various types of lashings used in pioneering.

Richard J. Sanders, (right), Deputy Camp Chief for the August Wood Badge training course, is shown with other officers of the special Wood Badge Scout troop. Twenty-six Chicago Area Council men participated in the week-long training program at Valley View. Left to right are Ray Crouch, Ray Thompson, Donald Marks, William Hays.

The Chicago Area Council was represented by seven young men at the Second National Explorer Delegate Conference held August 16-20 at the University of Kansas. Shown discussing the conference are, left to right (seated), Stephen Ryjewski, Michael Oskroba, Daniel Hass; (standing) Joel Shaykin, Jordan Lome, Steven Epstein and Sanford Shudnow.

The greatest show of Scouting's strength this summer was the participation of more than 500 Chicago Area Scouts in the 35th Annual Chicagoland Music Festival, sponsored by the Chicago Tribune Charities on August 15. John Yonan is shown here directing the 500-voice choral group in the stirring "This Is America" number. Henry G. Baumann served as chairman of the pageant committee.

ALONG THE SCOUTING TRAIL

By Alden G. Barber

Our Council's "Years of Decision" program this year will be boosted by the launching of the Growth Program which is designed to bring 200 new units to the council's rosters in 1964.

In 1962 it helped us turn the membership tide and in 1963 we met our goal by organizing more than 200 new units.

"Boys are our business" and the outlook for our business couldn't be better. Less than 18% of the Scout age boys in the Chicago Area are receiving the benefits of Scouting. Statistics tell us that 3 out of 4 boys would like to join. In order for us to meet the challenge of today's youth and realize our 1970 goal of 100,000 boy members, considerable effort is necessary.

I am convinced, as is President Bob Reneker, that one of the keys to our success will be the organization in 25 districts of a dedicated corps of men working together on the 1964 Growth Program.

OWASIPPE DIRECTOR NAMED

Alden G. Barber, Scout Executive, announced that Ralph G. Spaulding, formerly district Scout executive of the Transatlantic Council, Heidelberg, Germany, is the new Camp Director of Owaspippe Scout Reservation.

Spaulding has served Scouting as a volunteer and professional, having been affiliated with councils in LeRoy and Rochester, New York, and most recently, in charge of long-term summer camps in Greece, Turkey, and Italy.
